Latest display by award winning local artist at Butterflies Gallery

Butterflies Gallery will be holding an exhibition of works by award winning artist Rhondda Walters. Rhondda has been painting for many years

and this is her third solo exhibition at Butterflies Gallery.

In the past, the themes for Rhondda's series have been inspired by places,

events and experiences. This latest series is entitled, "Our Earth - Above and Below".

As always, Rhondda's use of mixed media presents a collection of paintings, the colours and textures of which are changing and exciting.
